“Our continuous efforts to bring innovative solutions to the market have positioned Nordduyn as an indispensable provider of high quality lighter weight products to airline operators” said Mathieu Boivin, President of Nordduyn.

“With the gradual integration of more than 55 Boeing 787 aircraft in its fleet, ANA is boldly moving to assert itself as a leading carrier in Asia. In this context, Nordduyn believes it is ideally suited to accompany ANA in its growth with its full line of light weight galley and cabin products” added Patrick Phillips, Director Business Development at Nordduyn.

Nordduyn is a designer and manufacturer of the lightest certified family of galley carts (trolleys) in the world. Nordduyn's carts won this year's prestigious Crystal Cabin Awards in the category “Greener Cabin Health & Safety”.
